   • Hyderabad Declaration on IGF Accessibility for Persons with Disabilities (2008): https://www.itu.int/themes/accessibility/pdf/Declaration_Hyderabad.pdf

3. **Outline plans towards 2025 and that specific SDG**
   Plans towards 2025 and that specific SDG Extension of DCAD's work ensuring that the IGF venue and remote participation is accessible towards working more closely with other Dynamic Coalitions and the broader Internet community. This aims to mainstream accessibility of the Internet environment to facilitate improved social, political and economic inclusion based on SDG target 10.2. Achieving this can be done only when the disability voice is heard and heeded. Awareness, willingness and support occurs with strong collaboration of stakeholders from government, industry, academia, civil society and the technical community.

4. **List Policy Question related to the work of your DC and in regard to the specific SDG**

   How can we embed accessibility for persons with disabilities in Internet Governance to enable social, political and economic inclusion?
